

Masterclass in Brain, Mind & Culture Certificate of Completion

The Japan Intercultural Institute certifies that on April 8th, 2022,

Isabelle Gillet

completed the requirements for the Brain, Mind & Culture Masterclass. This eight-week blended learning course (podcasts, interactive webinars, online learning community, readings, evaluation) introduces the latest insights of culture, brain and mind sciences to intercultural professionals. Topics covered include: the psychology of intercultural experiences; culture and cognition; biases, and deep culture learning.
